## Edgar CAYCE Annual National Conference no 30

### Arranged by the Swedish Foundation Edgar CAYCE Center

### September 27-29, 2019 Stockholm, Sweden

#### **General information**

The Foundation Edgar CAYCE Center is very pleased to hereby invite English speaking people to participate in our upcoming Annual National Conference. We are pleased and honored to have Mr Peter Woodbury as our speaker.

The Conference begins Friday night September 27 with the one-man show "En Evening with Edgar Cayce" and will end by Sunday afternoon. All lectures will be in English. The lectures will be interpreted consecutively into Swedish. All lectures will be audio recorded and made available some weeks after the Conference.

The Conference place is Valhallavägen 148, Stockholm, Fältöversten, Östermalms Föreningsråd, room 1.

This year's Conference theme is: *Soul Patterns, Soul Lessons: Our Journey as Souls from Creation to Completion of the School of Earth!*

#### **About the Conference**

Peter Woodbury has been a student of the Cayce Material for over 30 years and a regression hypnotherapist for over 20 years. It was through the work of Edgar Cayce that Peter developed his technique called "Soul Contact" that enables individuals to "cross through the veil" so to speak, and access the unlimited wisdom of the Soul Mind, not unlike Edgar Cayce did himself.

In this 2 day conference, Peter will weave together the work of Edgar Cayce and his own experiences with regression hypnosis, to tell the story of our creation, involution into the Earth, the role of the Metaphysical Christ, our between earth life experience and explain the context of these interesting times we are living in.

During this conference you will learn:

- The purpose and meaning of life from our creation as souls to our involution into Earth
- The school of earth: karma and grace
- The Role of soul groups, soul mates, and twin souls in our spiritual evolution
- The Role of the Metaphysical Christ in our soul journey
- How we work through our soul path for our next lifetime on earth – known as "Pre-life Planning"
- Understand the evaluation process known as the "Afterlife Review"
- Learn about Cayce's unique perspective on "Interplanetary Sojourns" that occur as our "life in-between lives"
- The importance of the extraordinary times we are living in
- The grand plan of "returning to Oneness"
- AND your particular place in the grand scheme.

*Whether you are new to the Cayce information or a lifelong student  
or practitioner, this is a program you won't want to miss.*
